

# The Time Will Come

Music & Lyrics by Alex Kleinman

## Verse 1

C G  
The time will come  
Am F  
When we will see the sun  
C G  
The time will come  
Am F  
When we will feel the love  
C G  
Alone in the darkness  
Am F  
Stuck in the heat  
C G  
Hoping to be seen  
Am E  
Hoping to be freed

- Chorus -

F G  
Waiting for the day  
C C/B Am  
When water turns to wine  
F G  
Waiting for the day  
C C/B Am  
When someone walks the line

## Verse 2

C G  
When will he see  
Am F  
We have gone astray  
C G  
Thinking of the day  
Am E  
When no one goes away

## Bridge

F G  
Living in the shadows  
F G  
Of a battered man  
F G  
Dreaming for the arrival  
C C/B Am  
Of the sacred lamb  
F G  
He wont come  
F G  
Just to fade away  
F G  
The man must come  
C C/B Am  
To show us all his ways

- Chorus -

F G  
Waiting for the day  
C C/B Am  
When water turns to wine  
F G  
Waiting for the day  
C C/B Am  
When someone walks the line  
F G  
Waiting for the day we're  
C C/B Am  
Branches on a vine  
F G  
The time will come  
F G  
The time will come  
F G C  
The time will come our way
